

BEAVER COVE TOWN OFFICE
MINUTES OF THE MUNICIPAL OFFICER'S MEETING
June 20, 2022

Municipal Officer's present: Earl Mann, Alison Barkley and Jamie Brown

Others Present: Gail and Joe Babbitt and Kim Larsen

Meeting opened 6:30

Discussion with Board on Chair Person position. Earl Mann elected as Chairman

1. Review Minutes from May 2022 reviewed and accepted
2. Treasurer's Reports: May 2022 reviewed and accepted.
3. Tax Collector and IFW May 2022 reviewed and accepted.
4. Safety / Roads: Everything completed on the grading and calcium chloride except on Black Point and part of North Ridge where there will be work done and it would have been a waste to do it. Earl took care of tree down on telephone, he hesitated because of liability buy felt greater liability leaving it as the phone company would not have made it a priority. Didn't want tree coming down and hurting someone or something.
5. LUPC: None since last time
6. School Update: School's out
7. Emergency Management Update: Maria Mann has been hired as the Director and is working with the County. Alison felt Maria was very competent and organized was just the person to fill the position.
8. Select Board Email: Discussion on having an email account pros and cons. Decided would create email and put on website for people to contact the Selectmen. Alison said she would maintain Joe Babbitt suggested not emailing out in a group could just open it up for gripe sessions or just feed on petty issues. Email to easy for some. Jerry and Earl agreed we had a lot of complaints and comments on a few issues past month but no one showed up to meeting to voice. If someone has a genuine concern they have opportunity to email and contact Select board all contact info on web. Alison spoke with MMA legal about a Social Media Policy and she said they didn't feel we really needed one. Maria would like to start a Facebook Page and they had no issues with that. After discussion it was agreed it should be focused on Emergency Management and updates with Emergency issues raising community awareness of available resources and communication through emergencies with Greenville, and County. Alison will advise Maria to get in touch with Deb and Jaimie for content that should be posted.
9. New News: Joe Babbitt said fishing is lousy, discussion on Premium Broadband. Second payment for Arap Funds should be coming anytime. But we were told to wait before sending to

Premium Broadband as they had applied for a grant themselves. Should know more by August September. Construction of the path to propane tank was scheduled with Pete and Lisa Cantara. Earl put out the signs for no discharge of firearms all but the Burnt Jacket Road which Marty Silverman said he'd get the post in and let us know when it is ready to have sign attached. Gail asked if anyone had heard about a rebate from Starlink...no one had..
