

BEAVER COVE TOWN OFFICE
MINUTES OF THE SPECIAL MUNICIPAL OFFICER'S MEETING
November 28, 2022

Municipal Officer's present: Jamie Brown, Alison Barkley

Others Present: Joe & Gail Babbitt, Sally Farrand, Hilary & Richard Anderson, Kim
Larsen

Meeting opened 6:30

1. Minutes approved for October 24, 2022 and November 1, 2022 accepted and signed
2. Treasurer's Reports: October 2022 reviewed and accepted.
3. Tax Collector and IFW September 2022 reviewed and accepted.
4. Safety / Roads: End of Black Point has a large Pot Hole County is supposed to take care of it but has not done as of yet. Joe Richards and Lindy Arey have been clearing up a lot of trees from past storms and overgrowth.
5. School Update: Sally will be receiving a warrant possibly next week. They have had 2 successful active shooter drills at the school. She will try and send a detailed report to attach to minutes.
6. Emergency Management Update: Maria has been in training, has a new manual.
7. Resilience Partnership: Alison spoke on a Community Resilience Group, which in the past Town had decided it would be too hard to do. Alison said she would be the one person to do the training that is required for us to be in partnership with Greenville, thus qualify them for the larger grant. Feeling Community partnership is a positive move, Board voted to partner with Greenville
8. New News/Comments: Alison wanted to thank everyone who participated with the meetings of the Firearm Ordinance. There were a lot of good ideas
 - Repeal Totally (Alison said she does not see that as a good option)
 - Amend Boundaries
 - Better signage

Hilary felt that people don't read or obey the signs obviously with the latest occurrence. There was a deer shot on Ledge Road by a 10 year old boy, his father told him to shoot it. They were renters and authorities did address it and father was summons.

Agreed to reach out to renters and RE Agents with educating them on the rules and laws on firearms and hunting. It was also mentioned about noise nuances and fireworks be addressed.

Sally also thanked everyone for the work done on this issue.
